CERTIFICAZIONI / CERTIFICATIONS

SISTEMI

FORM

Pareti autoportanti con funzione divisoria all'interno di ambienti condivisi. I pannelli possono essere utilizzati anche per la realizzazione di postazioni di lavoro modulari.

STRUTTURA PANNELLI

Realizzati con tubolari metallici a sezione mista interamente rivestiti da materiale espanso fonoassorbente. I pannelli sono di forma rettangolare o trapezoidale tutti utilizzabili sia nelle postazioni di lavoro che nelle composizioni dei pannelli fonoassorbenti.

Dimensioni pannelli:

130X78X5 trapezoidale
130X78X5 rettangolare
130X118X5 trapezoidale
130X118X5 rettangolare
170X78X5 trapezoidale
170X78X5 rettangolare
170X118X5 trapezoidale
170X118X5 rettangolare

Dimensioni piani:

150X65 Trapezoidale
190X65 Trapezoidale
78X65 Rettangolare
118X65 Rettangolare

PIEDI

Per la versione senza tavolo sono necessari i piedi metallici portanti, verniciati grigio chiaro.

KIT CONNESSIONE

Per la realizzazione delle composizioni sono necessari i kit di connessione realizzati in lamiera metallica verniciata grigia. Le differenti forme dei raccordi, permettono la realizzazione di molteplici composizioni con o senza piano d'appoggio.

OPTIONAL

Lavagna magnetica Lamiera metallica verniciata grigia.
Gancio guardaroba Lamiera metallica verniciata grigia.
Porta documenti/riviste Lamiera metallica verniciata grigia.
Porta oggetti Lamiera metallica verniciata grigia.

TESSUTI

Disponibile in diverse tipologie e colorazioni presenti nelle cartelle rivestimenti LT Form.

SYSTEMS

FORM

Self-supporting walls to partition shared interior spaces. The panels can also be used for composing modular workstations.

PANEL STRUCTURE

Made with metal tubing of different cross sections entirely covered with sound-absorbing foam material. The panels are rectangular or trapezoidal in shape, and can all be used both in workstations and in compositions of sound-absorbing panels. Panel dimensions: 130X78X5 trapezoidal 130X118X5 rectangular 170X78X5 trapezoidal 170X118X5 rectangular 170X118X5 rectangular
Dimensions of tops: 150X65 Trapezoidal 190X65 Trapezoidal 78X65 Rectangular 118X65 Rectangular

FEET

For the version without table it's necessary to include supporting metal feet, painted light grey.

CONNECTING KIT

To create compositions, it's necessary to use connecting kits made of grey painted sheet metal. The different shapes of the fittings allow myriad compositions to be created with or without a support surface.

OPTIONAL

Magnetic board Grey painted sheet metal.
Wardrobe hook Grey painted sheet metal.
Document/magazine holder Grey painted sheet metal.
Object holder Grey painted sheet metal.

FABRICS

Available in different types and colours as detailed in the LT Form upholstery charts.

Su richiesta omologazione 1IM in categoria "C" con supplemento 5%
Available on request with 1IM approval in category "C" with 5% surcharge
