

GEN_VMT PENRAY 01 Panels

PUBLIC SPACES / WORKSPACES

Description

From the GEN_VMT collection, winner of the Red Dot Product Design Award 2020, PENRAY 01 panels are an outstanding solution to fill out large surfaces, due to their dimensions. Formed by three different modules, the combinations are genuinely boundless.

Functionality, sustainability, and aesthetics are all combined to generate a remarkable acoustic panel, made from VicPET Wool, a high performance material predominantly developed from recycled plastic bottles.

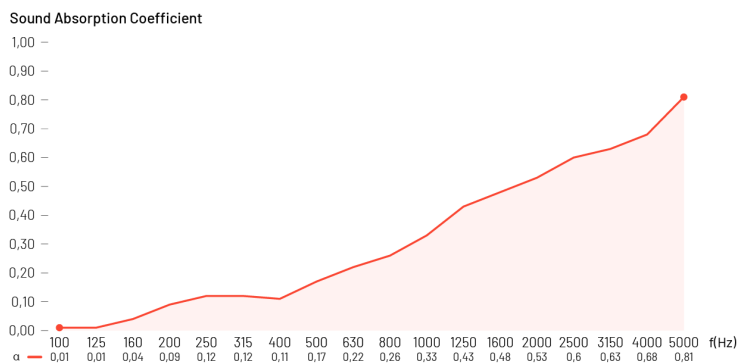

GEN_VMT Penray 01 Panels come in 6 units per box, that include 2 units of the flat shape, 2 units of the intermediate embossed shape and 2 units of the shape with more relief details.

Features

- Premium high-density VicPET Wool
- High Performance in medium and high frequencies
- Lightweight
- Easy to install
- Easy to clean and maintain
