

MIRAGE

WOVEN FLOORING BY DICKSON

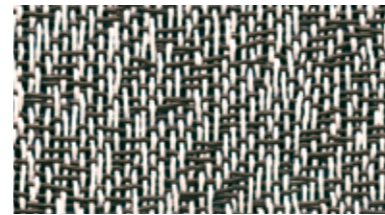

Mirage has a delicately uneven, raw and vibrant surface. A perfect balance between soft and intense, its natural-looking texture is inspired by sisal flooring. This range is available in a broad range of refined colours, from light to dark, with neutral tones complementing more fiery shades.

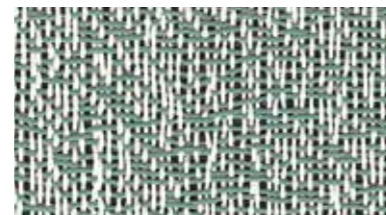

Pattern repeat: W 160 cm / 62.99" x H 250 cm / 98.42"
